Re: Update on 2009 AFofM Commercials Agreement Negotiations

As per previous JPC correspondence, the American Federation of Musicians (AFofM) TV and Radio Commercial Announcements Agreement expires on October 16, 2009.

Due to the union's prior commitments, negotiations for a successor agreement have been delayed until November/ December 2009.

Until further notice, signatories to this agreement should continue to operate under the provisions of and pay the rates specified in the current 2007-2009 AFofM Television and Radio Commercial Announcements Extension Agreement.
